PRESS RELEASE**

November 7, 2005

CITY OF BALL GROUND CONCEPT PLAN FOR DOWNTOWN STREETSCAPES APPROVED

The Georgia Department of Transportation has approved the concept plan submitted by the City of Ball Ground for the downtown streetscapes project.

The City is now authorized to begin development of actual construction plans which will then also be submitted to the Georgia Department of Transportation for review and approval.

The streetscapes project in downtown is expected to provide approximately 1.2 million dollars in improvements to streets, sidewalks, and pedestrian connectivity throughout the downtown area from Old Canton Road to Northridge Road on Gilmer Ferry.
